SUBJECT: CHDP PROVIDER INFORMATION NOTICE NO.: 05-08, REVIEW OF AUTOMATIC MEDI-CAL ENROLLMENT FOR INFANTS THROUGH THE CHDP GATEWAY AND REMINDER TO USE CHDP GATEWAY TO ENROLL INFANTS UP TO ONE YEAR OF AGE

Enclosed is CHDP Provider Information Notice No.: 05-08 reviewing the first year of data for automatic Medi-Cal enrollment for infants through the CHDP Gateway and reminding providers to use CHDP Gateway to enroll infants up to one year of age. This opportunity for electronic enrollment of infants up to one year of age into the Medi-Cal Program does not require their parents to complete a joint Healthy Families/Medi-Cal application.

Please continue to work with the CHDP providers and their staff in your local program area regarding this opportunity for infants up to one year of age. Providers and their staff may be able to encourage families to enroll by reviewing the pre-enrollment application and asking families to complete the information if the area below on the application has not been completed and the infant is up to one year of age.

For patients under one year of age, please complete this section.
